To everything there is a season, and a time to every purpose under heaven:
 A time to be born, and a time to die; a time to plant and a time to reap;
 A time to kill, and a time to heal; a time to break down and a time to build up;
 A time to weep, and a time to laugh; a time to mourn and a time to dance;
 A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;
 A time to get and a time to lose; a time to keep, and a time to cast away;
 A time to keep silence, and a time to speak; a time to love and a time to hate;
 A time of war, and a time of peace.

You hold in your hand the camel's hair brush of Life. You stand before the vast white canvas of Time. The paints are your thoughts, emotions, and act. You select the colors of your thoughts; drab or bright, weak or strong, good or bad. You select the colors of your emotions; discordant or harmonious, harsh or quiet, weak or strong. You select the colors of your act; cold or warm, fearful or daring, small or big. Through the power of your creative imagination, you catch a vision, you dream a dream. You strive to make the ideal in your mind become a reality on the canvas of Time. Each moment of your life is a brush stroke in the painting of your growing career.

The art of achievement is the art of making life — your life — a masterpiece.

So much time is thoughtlessly squandered daily with idle complaints about the state of things. The routine of school tends to be dictating and confining, but for most, lives would be aimless without the routine. What is there beyond the same ceaseless duration of events? We, the students, hold the answer as the true masters of the perpetual "humdrum."

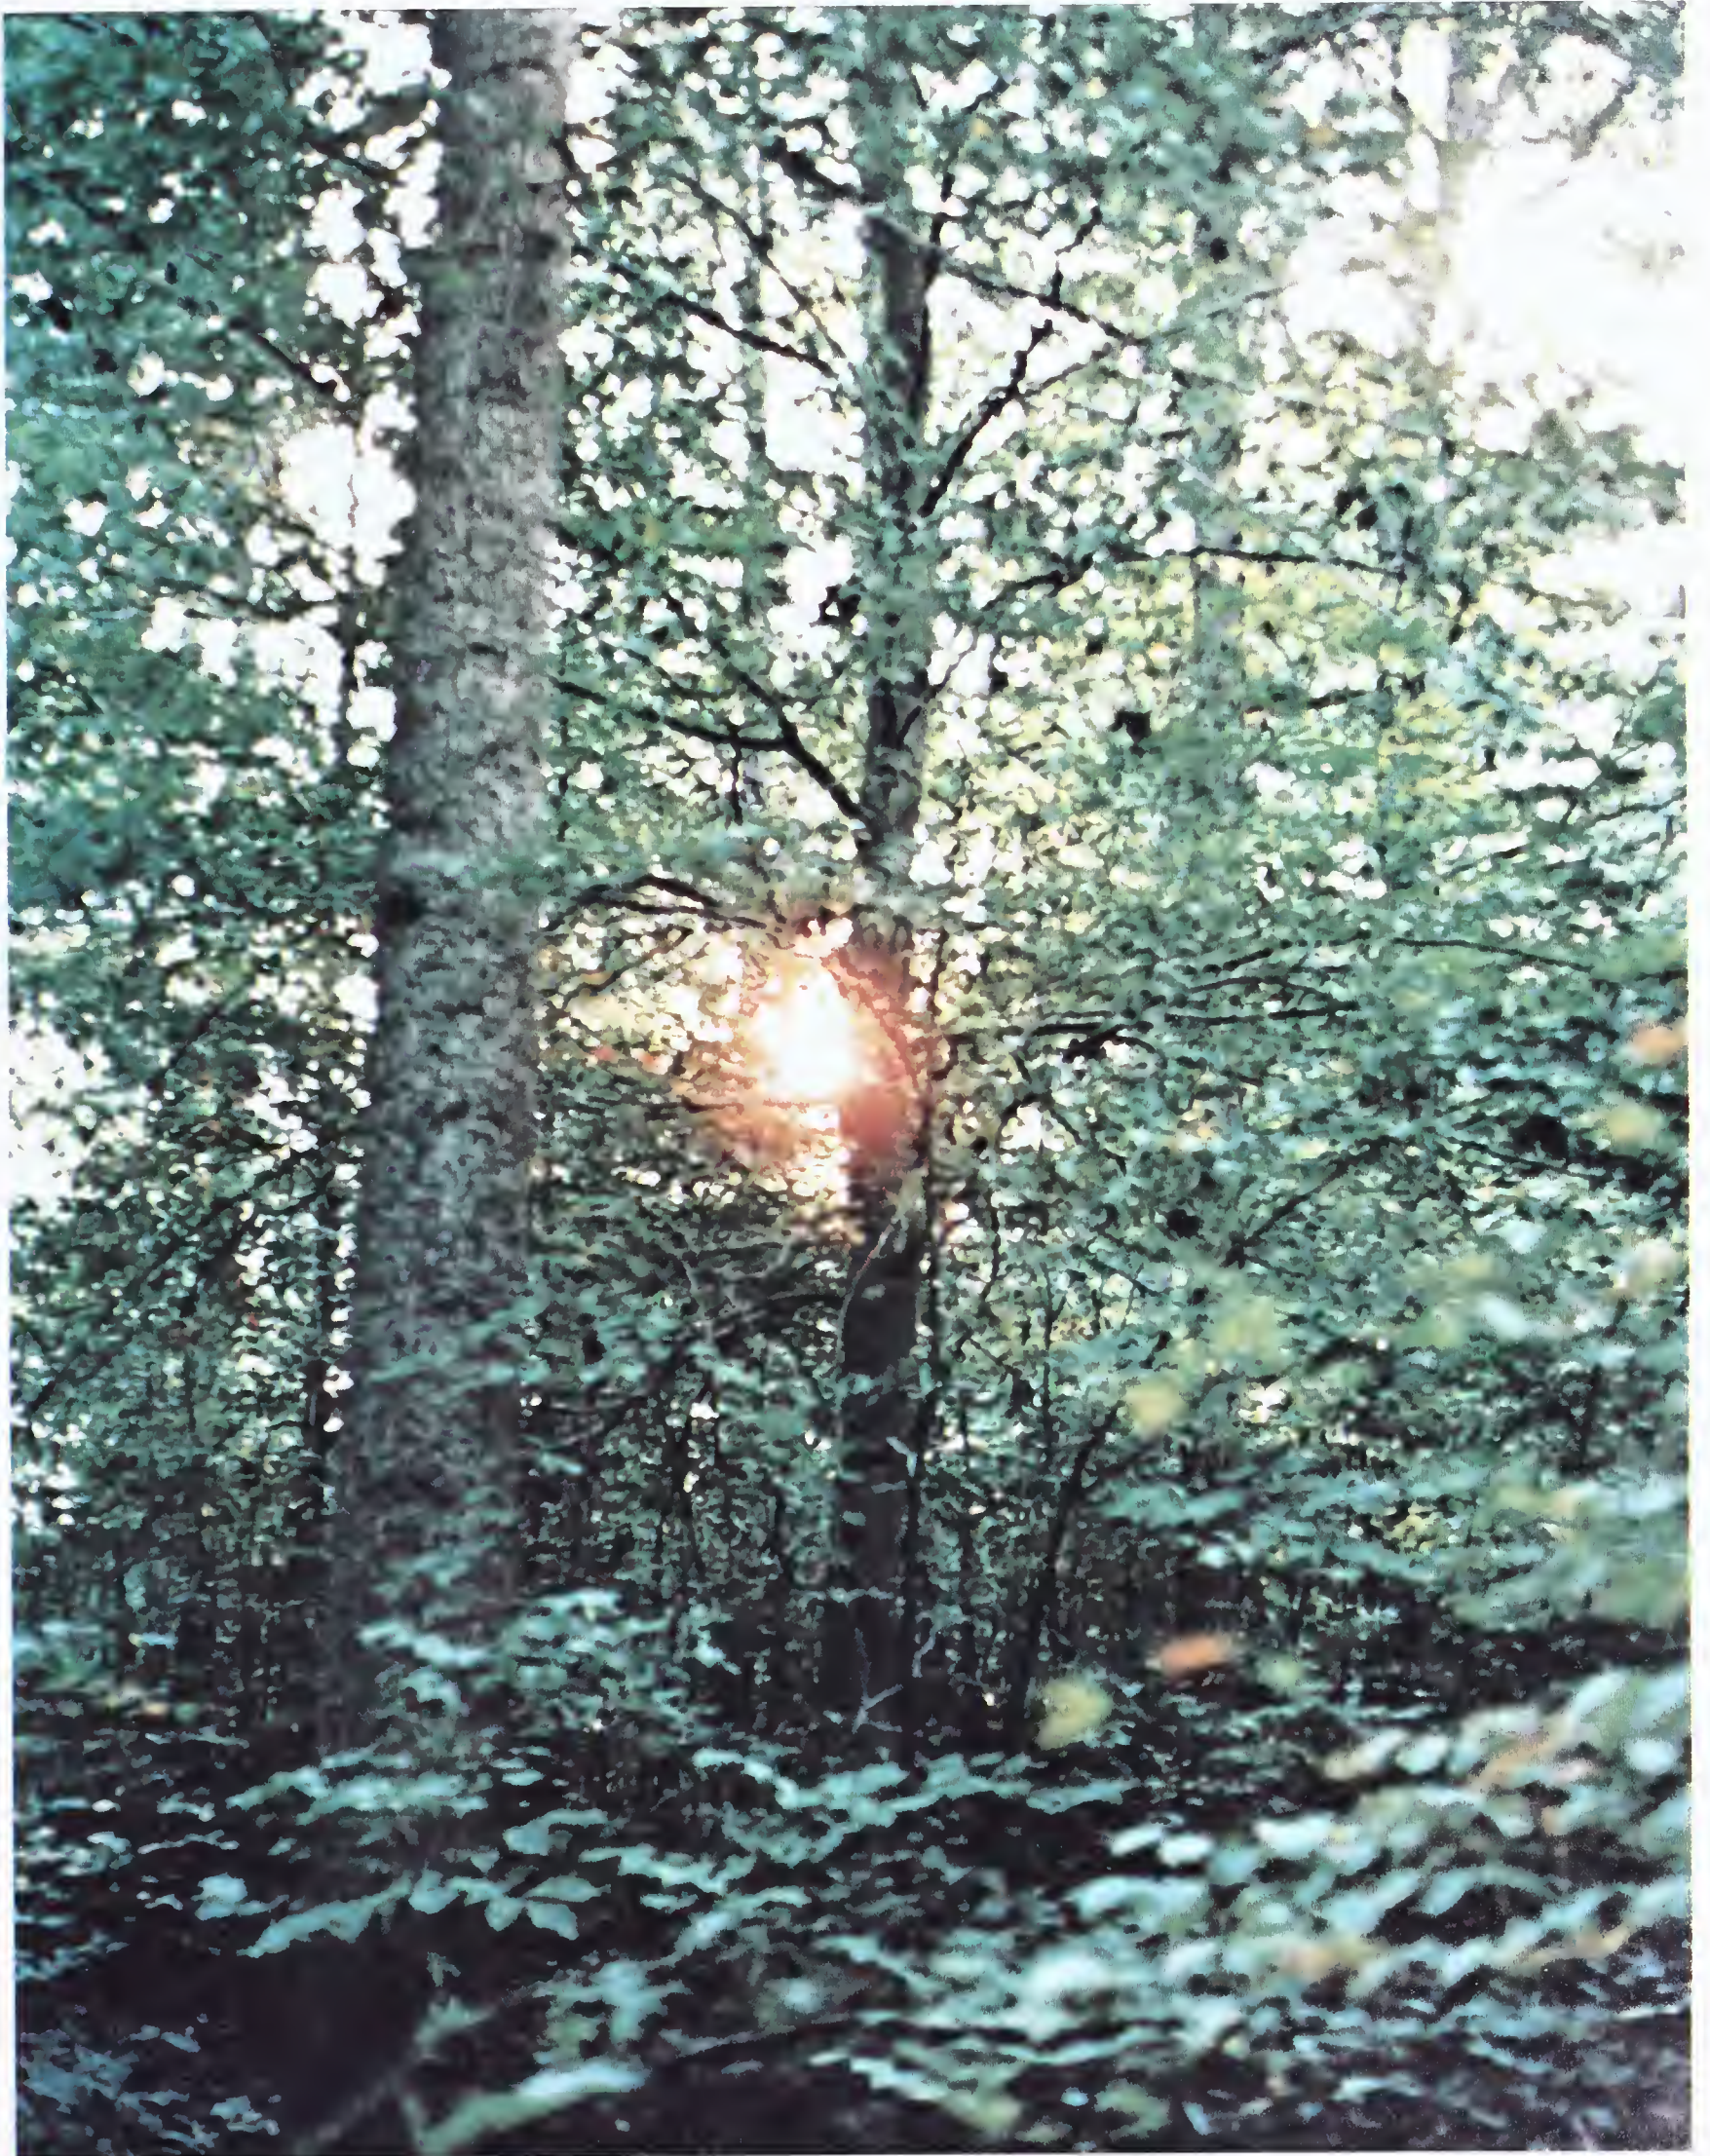

Routine provides the basic inspiration to begin and to create. To surrender to the beaten path of daily events only proves a lack of interest, and neglect of one's present and future. The routine has not been devised to govern us, it has been designed to be manipulated, exploited and molded by those who possess it. We possess our routine and our day, and it is ours to manage in the best way that we are able.

Seniors Achieve Due Recognition

President — Millie Milbrodt, Vice-President — Robin Sagadraca, Secretary — Shelley Rubenking, Treasurer — Tanya Lansing

The darkened room across from Room 104 daily emitted the voices of Fred Flintstone and of a misplaced Martian and was commonly known as the Senior Lounge. It provided a welcome escape from study halls, a refuge from occasional class and a base for senior activities.

The activities began with the lunch-line prank in the fall as the seniors compelled the underclassmen to submit to upperclassmen disguised as gangsters. They forged ahead and sponsored Silver Bells, the 1973 Christmas Dance. In December, the seniors out-maneuvered several unfortunate juniors in the Welfare Basketball Game. The Class of '73's most prized achievement, unknown to many, was their sponsorship of a child overseas.

After Christmas, after SATs, and after most achievements, seniors anticipated senior skip day, their own 50's Dance and finally, a long awaited graduation at Wolftrap.

President — Debbie Lloyd, Vice-President — Mark Watts, Secretary — Debbie Freeman, Treasurer — Joyce Skiba.

For the Class of 1974, the '73 year bequeathed upon them many desirable and undesirable traditional duties. They inherited the responsibility of the Faculty Coffee Shop, nourishing Oakton's underfed teachers. Early one fall morning, many of the college bound Juniors braved their PSAT's, unaware that this was only the first in a succession of Saturday morning escapades. Then one spring day the rings came, accompanied by the ceremonious ring turning. Fingers went around as many times as rings it seemed.

But all was not traditional. In December, the Juniors made a valiant attempt to raise money for the upcoming Prom. They produced the fabulous Faculty Follies and, with the aid of several sporting teachers, the effort was successful.

Finally, Prom time did arrive and the Juniors' biggest task lay before them. They surmounted this obstacle and now have only their Senior year left to ponder.

Fund Raising Occupies Sophomores

Karen Kittlestad — President
Nancy Holland — Vice-President

This year, the class of '75 was very active in trying to get money into their treasury. They were very successful with bake sales, soc hops, and other fund raisers. Besides these, the Sophomore Class sponsored a fantastic float at Homecoming and generated spirit and interest throughout the school during the year.

I never seem to stop, huh? I just wanted to say that you were one of the first people I met here, and I'm glad it was you. Maybe next year I'll get a higher grade than you in Eng! Never forget all the fun times this year. Maybe I'll stop by in the summer if I can ever find your house. Put up signs all over the place, OK? Love, Paula

Freshmen

Bill Edmondson; **President**, Siang Tsao; **V.P.**, Connie Pearson; **Secretary**, Peggy King; **Treasurer**.

The Class of 1976 acquired the majority of their recognition through their size. This year they were the largest class ever to appear in Fairfax County, but this was not their only claim to fame at Oakton. They initiated a major business deal in September and purchased a \$450.00 cotton candy machine which they intend to leave the school as their gift. The Frosh Football team added to the class spirit by gaining second place in the Great Falls District.

Besides sponsoring the usual dances and sock-hops, the Freshmen also have prospects for future modifications at Oakton. They have voiced hopes for cafeteria vending machines and a Freshman Cabinet.

If size has hindered the Class of '76 in any way, they have concealed it well. Rather, the Frosh rallied forces this year to **get something accomplished**.

National Honor Society

Inductions

National Honor Society Inductions were held at Oakton United Methodist Church on October 18. Guest speakers included Mr. Griswold, Mr. Hogge, the pastor, and Mr. Glenn H. Cunningham after whom the chapter is named.

The candidates for NHS were chosen by their character, leadership, scholarship and service. Each has maintained a grade point average of 3.4 during high school.

Each new NHS member received a lighted candle and a yellow rose at the end of the evening. Parents and friends were invited to the ceremony.

From 1 p.m. — 5:40 p.m., Oakton Is Woodson

On April 1, 1973, a tornado hit Fairfax and surrounding areas, damaging houses, Pickett Center and Woodson High School. Buckled roofs and smashed windows made classes there virtually impossible. In search of shelter, the homeless Cavaliers chose Oakton as a retreat for the remainder of the year.

At 7:25 a.m., (most) Oakton students arrived for their first class and, by 12:15 p.m., teachers were racing kids out of the parking lots. Woodson students came at 1 p.m. and remained until about 5:30 p.m. Although many after-school activities were canceled, both student bodies managed to survive the ordeal.

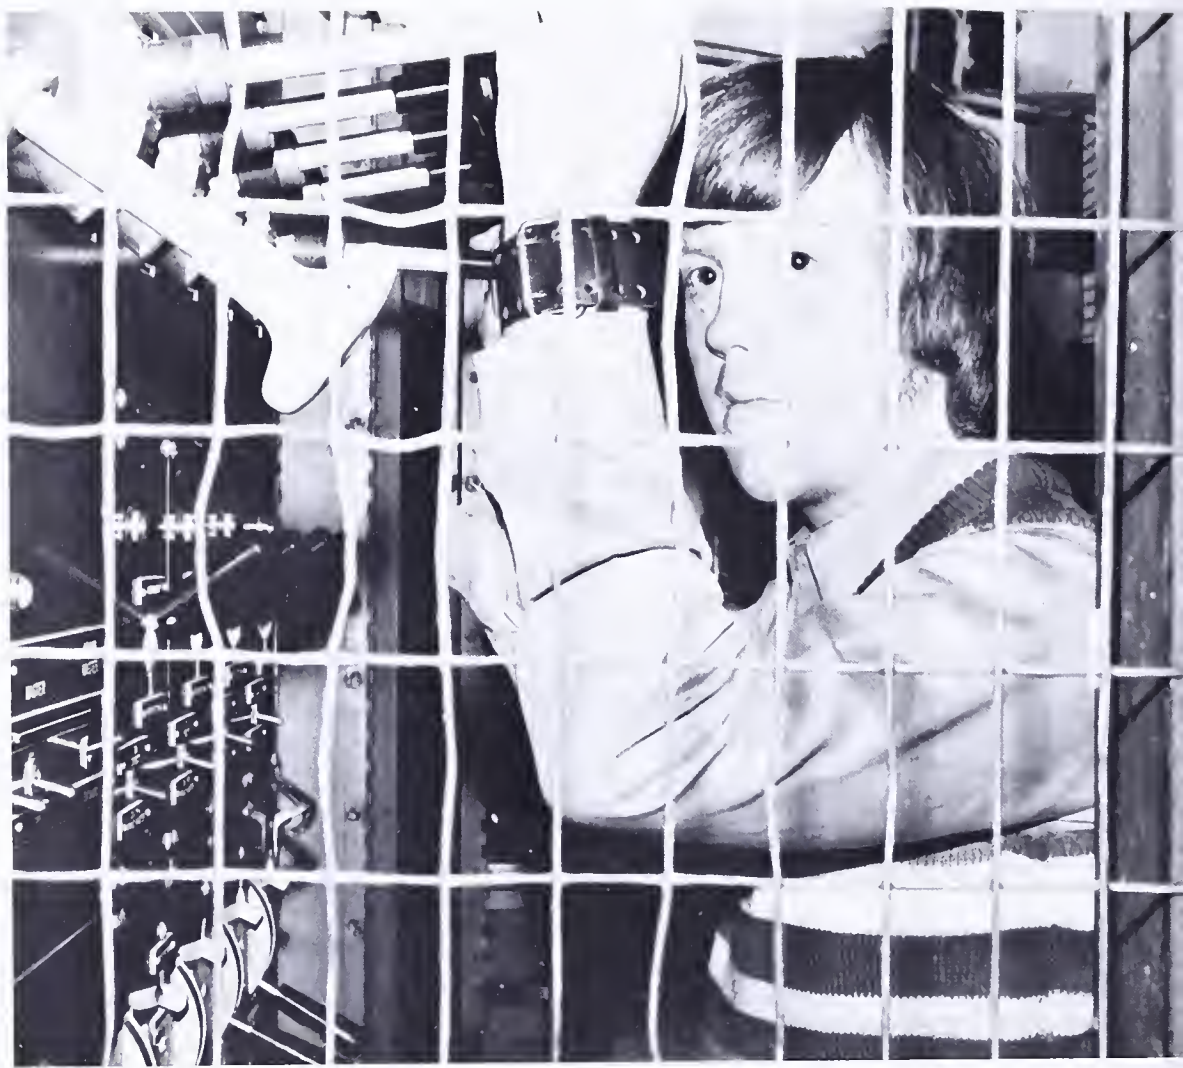

In connection with Project Concern and World History classes, several Oakton students have donated their time for a good cause. Mr. Price and the students have been going to the Co-op School for Exceptional Children during fourth period. The trips were discontinued for lack of transportation funds.

Varsity Football

The Oakton Varsity Football Team entered its 1972 season with high hopes of retaining a district title. A loss in their first game against Hayfield cast doubts about success. Later, a tie in the first district game with McLean caused more fears. Except for Groveton, the Cougars soundly defeated all other opponents — but one.

In the second to last game, the Marshall Statesmen emerged victorious from their confrontation with the Cougars. With this 17-7 loss, Oakton forfeited their Great Falls District Title. Second place may have seemed anticlimatic after last season, but a 6-3-1 record is surely impressive enough. The Oakton Cougars had a good '72 season

and were rightly respected by their fans.

Varsity Cross Country

This year, Oakton produced another fine Cross Country Team. A long, difficult season landed them a second place in the Great Falls District, also. They placed fourth in the Colonial Invitational Meet among a crowd of 358 runners. In the Fairfax County Meet, they placed third behind Robinson and Marshall. Oakton can expect some of its outstanding runners back for a great '73 season.

Varsity Hockey

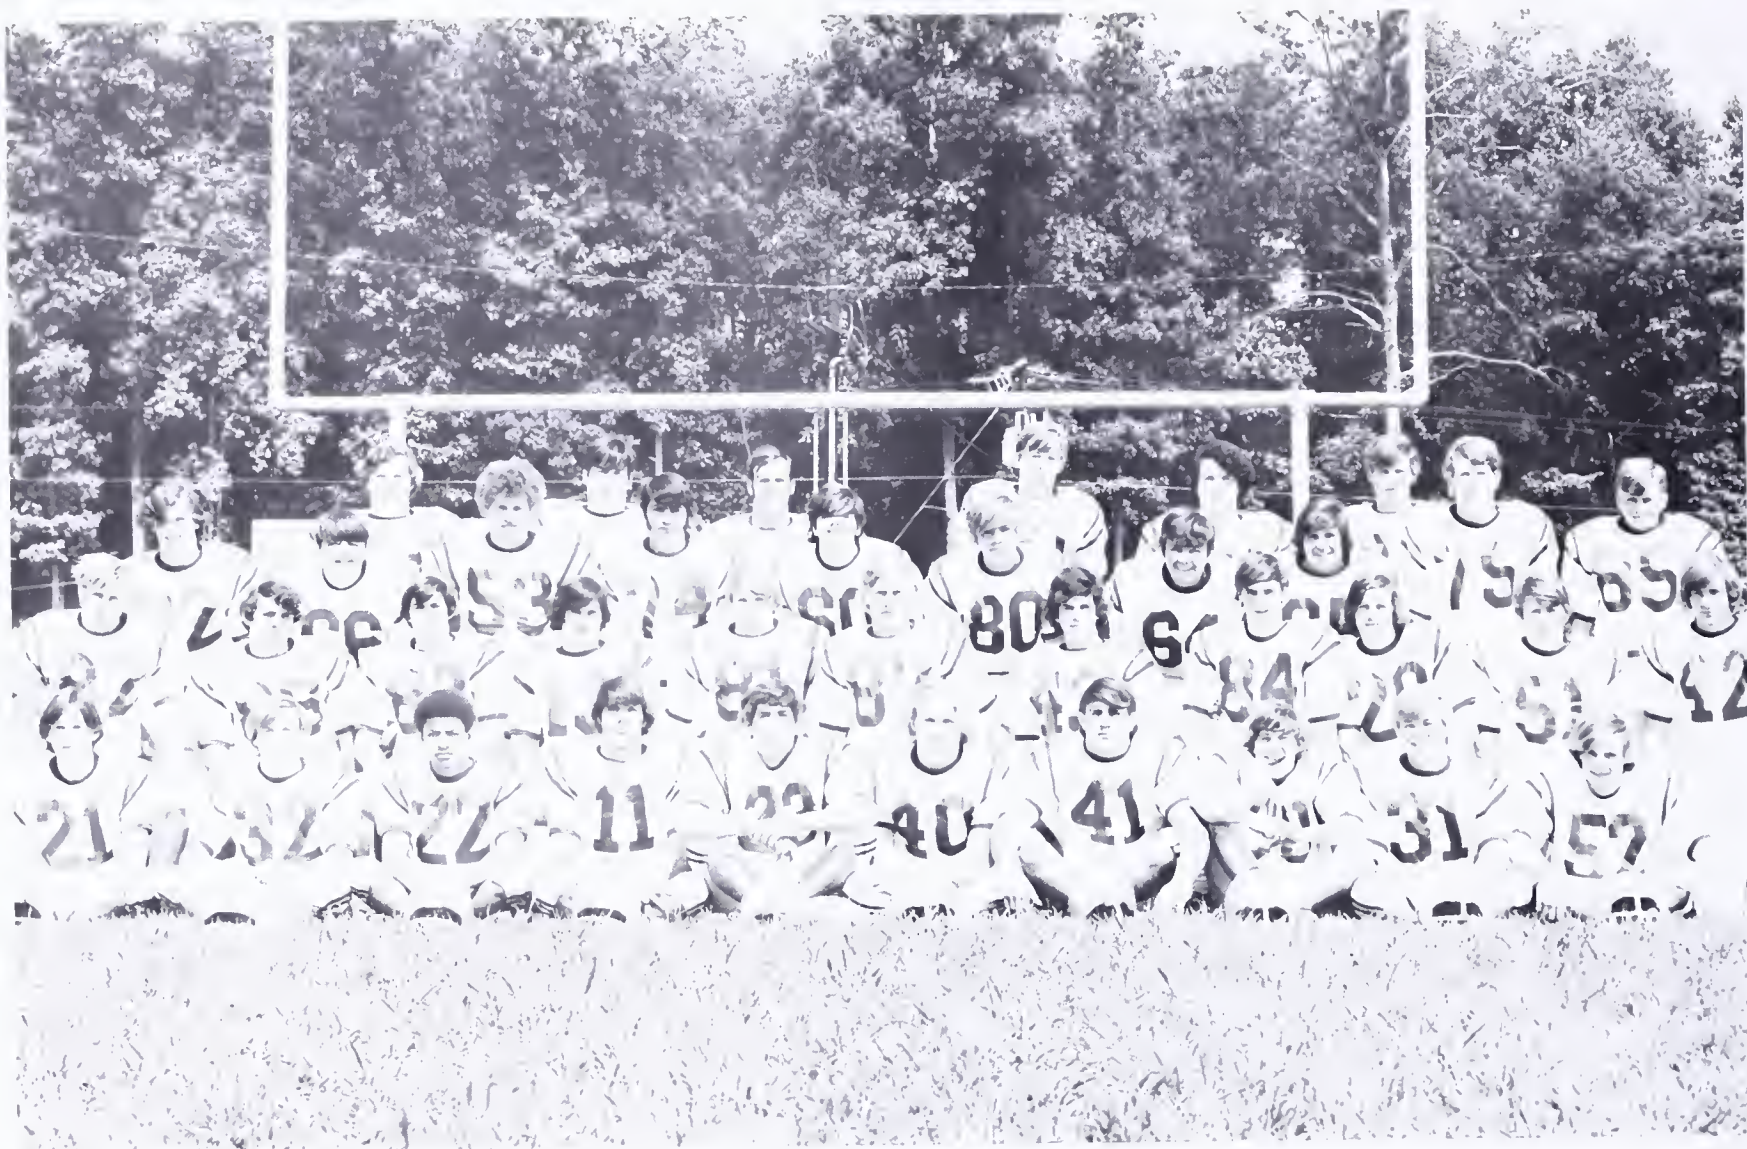

The Girls' Varsity Hockey Team was successful in improving their previous season. No wins last year were converted into 2 wins, 2 ties and 4 losses this year. They defeated Robinson and Herndon and held a powerful Madison team to a 0-0 tie score. The Varsity Hockey team is on a recovery course which should proceed in a similar direction next season.

Varsity Hockey

The Varsity Hockey Team, coached by Miss Kemp, had its best year ever for the '72-'73 season. With eight returning players and seven new players the team became a formidable obstacle. Improved skills and playing experience led these girls to a most impressive season. The Oakton Hockey Team will be greatly affected by the loss of their outstanding seniors.

The J.V. Hockey Team learned that experience is the key to winning. Although the J.V. team did not show an impressive season, they were able to hold many of their opponents to a tie. The team, through the coaching of Miss Peters, did gain the experience and skills that are needed to play on Varsity.

Although many of the results of the '72-'73 season for the Girls' Varsity Tennis Team were a disappointment, the season was in no way a failure. The girls presented themselves against many of the district's toughest opponents and always put forth a valiant effort. Along with the coach, Miss Gray, they worked as a unified group from which there should be many returning hopefuls for the '73-'74 season.

The Varsity Basketball Team emerged with another winning season for 1973. The Cougars defeated a top W&L team twice to place first in the district during regular season play.

In the Great Falls District Tournament, fate and other factors led Oakton to a loss against Herndon for first place. The Cougars had crushed the Hornets twice in the regular season.

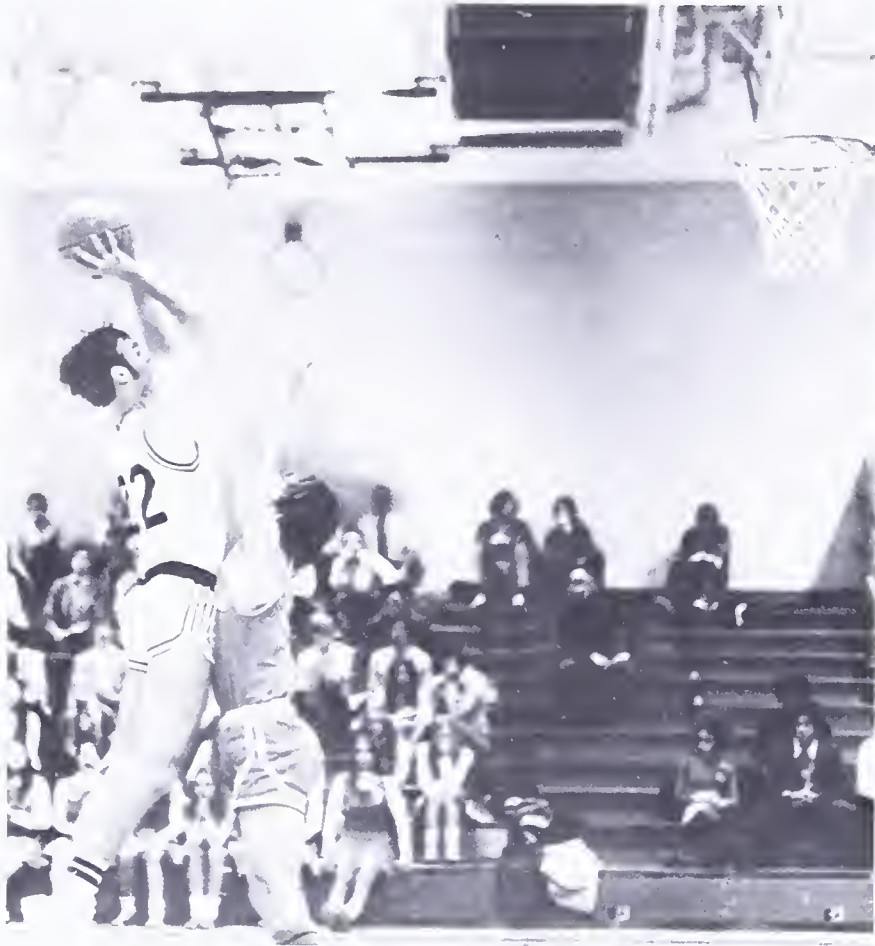

Oakton then advanced to the second round of the Regional semi-finals. They bounced over the Robinson Rams, but were edged out of a win by West Springfield, who eventually went to state.

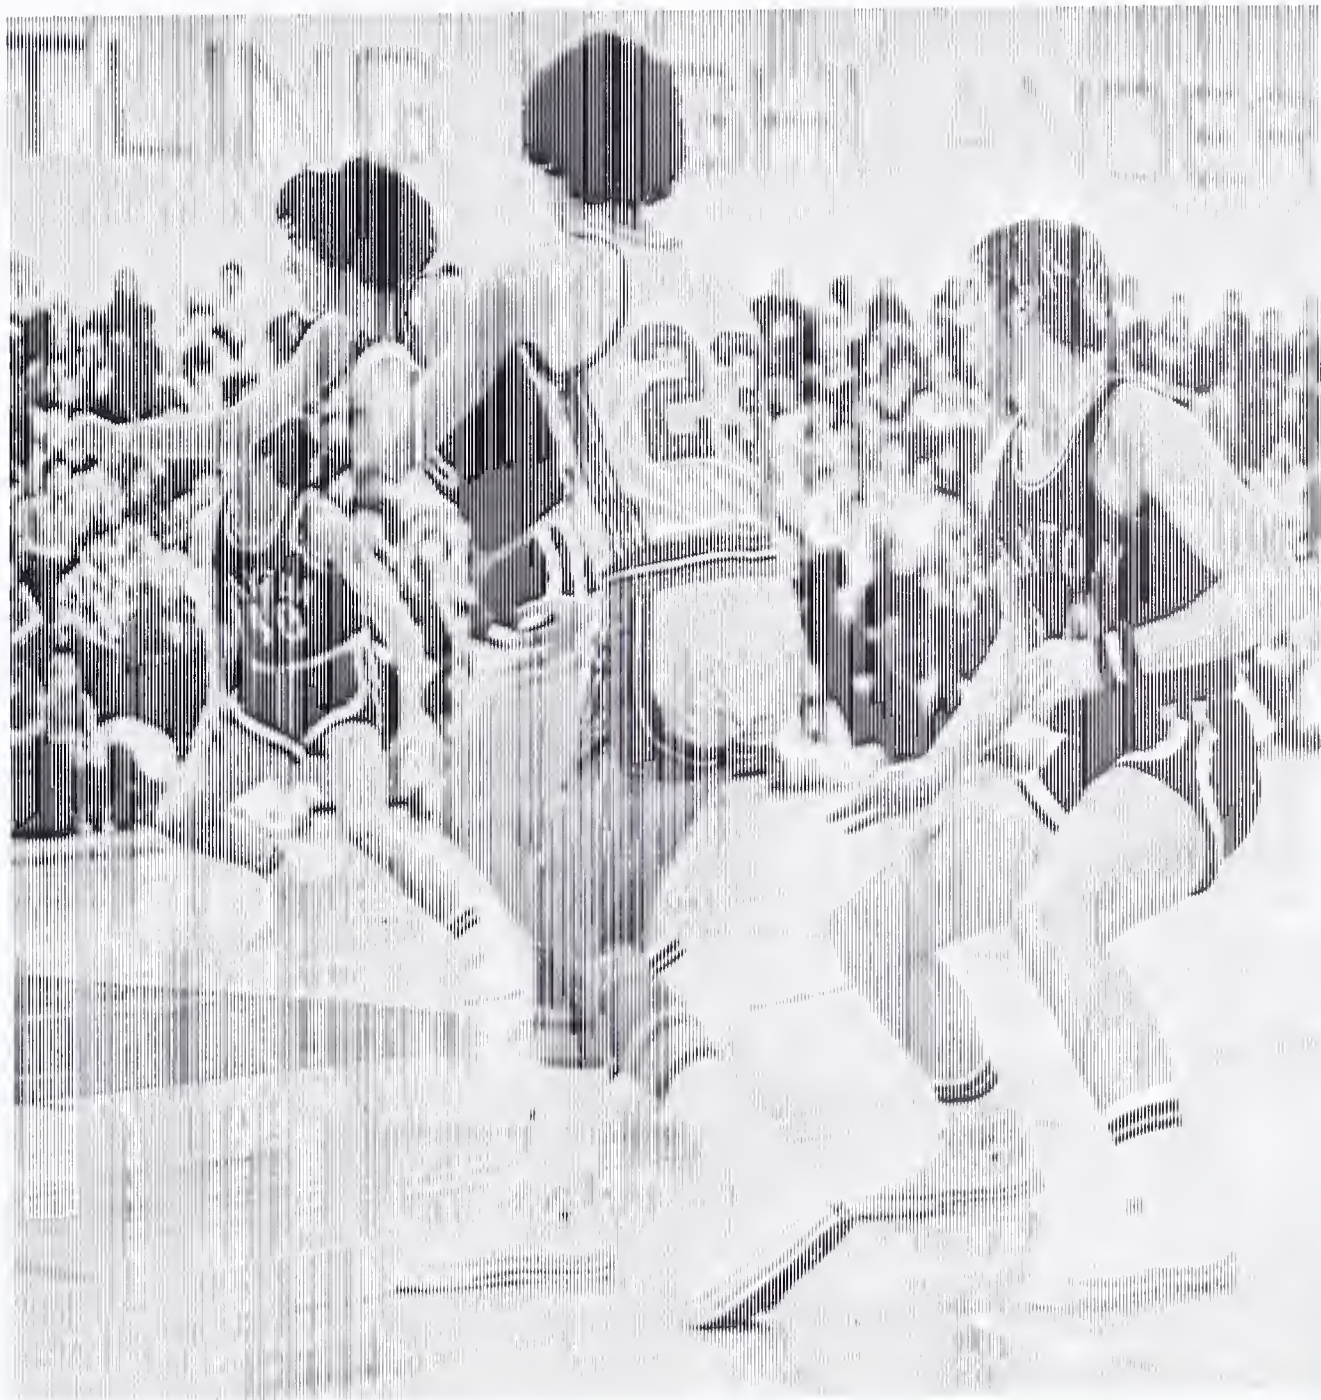

1973 Basketball proved to be successful and will be greatly affected by the loss of five seniors — John Behrens, Mark Brown, Dave Burns, Jerry Dellinger, and Mike Smith.

Cougars Battle for District Recognition

The Girls' Varsity Basketball Team had its best season ever this year, achieving an overall record of 7 wins and 5 losses.

1973 offered a new goal in girls' basketball with a regional tournament. The Cougars worked for a position in the district, but fell barely short when they were defeated in a final match against McLean. A victory would have put Oakton in a tie for second place in the Great Falls District.

The team has 5 returning players and 7 graduating seniors.

School projects included not only Teachers' Appreciation Week and the Miss Oakton Pageant, but ushering and operating coat checks at various school functions.

Within a larger scope, Keyettes has made donations to groups such as the NAACP Emergency Relief Fund and a sizeable contribution to Project Concern, the Keyette International Project.

The club strives to develop initiative and leadership, and provide experience in living and working together. Keyettes learn the value of service and the enjoyment one can derive from it. They come to realize the obligation each one of us has to the world and to ourselves.

The Science Club

The Science Club is designed for all students interested in any of the sciences. This year the club devoted itself to the study of HAM radio operations and darkroom developing. Mini courses were offered after school for self-enrichment. Mr. Hawkins instructed the HAM radio courses.

NHSBHS

Oakton's Biology Club is a member of a national organization. We are officially known as The Oakton Chapter of the National High School Biology Honor Society. The Biology Club's purpose is to further students knowledge of biology related subjects through field trips, films, student reports and so on. The club members locate various people and organizations that can offer us knowledge and practical experience in Biology; that goes beyond the classroom. Our members have gained a greater appreciation for this field of science because of their involvement in the club.

Oaktonettes

The Oaktonettes is a service club dedicated to the service of the community as well as the school. The Oaktonette members of the 1972-1973 school year would like to wish all future members the best of luck!

Keyettes

There are those who give with joy, and that joy is their reward. For in truth it is life that gives unto life — while you, who deem yourself a giver, are but a witness.

Dr. and Mrs. Ray A. Hamilton

Our compliments to the class of 1973 and a Pulitzer recommendation to the Editor and Staff for an excellent yearbook.

Senior Class

The Class of 1973 looks back with fond memories at the four years we spent at Oakton. We would like to wish all the future graduating classes the happiness and fulfillment we knew here.

Girls' Athletic Association

GAA would like to express its appreciation to the girls who have given their time and energy to the Oakton Athletic program. We extend our thanks to Miss Merle Kemp, sponsor, Miss Doris Grill and Mr. Tom Porter, and encourage more girls to participate in the sports program.

Oakton Club

The Oakton Club of 1973 would like to dedicate this sponsorship to Mr. George Komar, our sponsor, for all his help and guidance during the year. We would also like to wish our graduating seniors the best of luck.

The people in the Paragon portray the activity of being and doing **today** —

"Yesterday is already a dream and tomorrow is only a vision, but today well lived makes every yesterday a dream of happiness, and every tomorrow a vision of hope."

Being is the philosophy of being **today**, instead of becoming tomorrow that never comes.

One must face the fact that his biggest task is not to get ahead of others, but to surpass himself.

Lynn,

That was really nice of you; giving me your yearbook to sign when there's no room left in it. But that's O.K. - I just can't believe this year has gone by so fast. I'm so glad that we got to know each other so well & struggle through Gym, English & Biology together. We'll have to do it again next & after that who knows? Isn't it hard to only have two years left at good ole
